Honorable Susan D. Wigenton  
United States District Judge

**ATTACHMENT A**

The Court finds that the sentencing hearing for defendant JASON ARTEAGA-LOAYZA to be held on September 14, 2021, cannot be further delayed without serious harm to the interests of justice, for the following reasons:

1. To ensure that the Court is not overwhelmed by cases and proceedings at the conclusion of this period of emergency. Currently, District Judges in New Jersey handle a substantially larger docket of cases than Judges in other Districts in the United States. New criminal cases continue to be assigned by the Court during the emergency. If the Court cannot resolve matters now by guilty plea and sentencing, the resulting backlog will overwhelm the Court's ability to function effectively. The concern of such congestion and the particular harm that likely will be caused by delays in the processing of cases and matters in the future is particularly acute in this emergency, at least given that: (1) it is unknown when this emergency will subside and when the Court will be able to function at normal capacity; and (2) this District's pre-existing shortage of District Court Judges which already has challenged the Court's ability to process and resolve cases. This District currently has four District Judge vacancies, all of which have been pending for more than a year. The Federal Judicial Conference has deemed the District's vacancies judicial emergencies.
2. To permit defendant JASON ARTEAGA-LOAYZA to obtain a speedy resolution of his case through timely sentencing to afford appropriate punishment and rehabilitation. Defendant JASON ARTEAGA-LOAYZA has asked for this case to be resolved today by way of his timely sentencing.
3. To permit the Government to obtain a resolution of the case so that the Government, already operating in a restricted capacity due to the emergency, may appropriately focus its resources on other, emerging criminal matters. The Government has also asked for this case to be resolved today by way of defendant JASON ARTEAGA-LOAYZA's timely sentencing.
4. To prevent overcrowding at the facilities housing pre-trial detainees. The detention facilities have a limited capacity. Detainees are

transferred from the detention facilities to prison facilities only after they have been found guilty and sentenced. There is a constant influx of new detainees admitted to the detention facilities. If detainees, such as defendant JASON ARTEAGA-LOAYZA, cannot be timely sentenced and transferred to prison facilities, the resulting backlog of detainees will overwhelm the detention facilities.
